IS FUNDING A PROBLEM?

IF SO, WE MAY HAVE THE SOLUTION

Government supported loans ('Soft loans') are potentially available for your business.

SOFT LOANS: Funding with no...
'personal guarantees' or 'Security' required.

Unlike conventional bank loans, this smarter finance does not require the funder to take a charge on your personal assets (i.e. Family home or other properties you may own.).

apply for between

£15,000 to £750,000
with a 'loan-term' up to 10 years

CLIENT TESTIMONIAL :

"Business Advice Bureau said they could help my business obtain unsecured finance when all my other advisers and my bank manager said they could not help. Through their help we obtained a soft loan for our business for cash flow and asset purchase purposes"

MD of a Retail Wholesale Distribution Company - S E England

we specialise in...

Client Testimonial :

"I am so glad we came to Business Advice Bureau and as a direct result we received a £50,000 Grant and a £100,000 unsecured government supported loan for our existing business"

MD of a Manufacturing firm in S. Wales

Client Testimonial :

"Without the help of the staff in Business Advice Bureau, we would not have been able to set up our manufacturing company. We obtained a grant of over £300,000 and other government backed unsecured loans of over £500,000 as a direct result of your help and advice... thank you so much"

MD of a Manufacturing firm in S. Wales

Client Testimonial :

"Until I spoke with Business Advice Bureau I was unaware that my Estate Agency business could receive an unsecured business loan. After they checked my personal and business eligibility, they helped us prepare the required business plan and applied for the loan. To our delight we successfully received the loan of £100,000 in a short space of time. Much needed for cash flow... excellent"
